

The Rural Perspective

Washington County Transportation Futures Study

Executive Summary

- Seen as “Web of connections”
- Expand public transit
- Improve safety for pedestrians and bicyclists
- Grow road system
- Start public awareness campaign
- Engage to understand differing perspectives
- Resolve truck access

Differing Opinions

- Preserving rural lifestyle
 - “Lifestyle farmers” vs “Family farmers”
- Westside bypass
- Public transit
- Bike lanes and sidewalks

Conclusion

- Balance competing interests
- Focus on safety
- Improving urban transportation system
- Future work
