

Professional Development Hours Credit Statement for Registrant Records

Many licensure agencies require the demonstration of continuing professional competency. Your attendance at this conference entitles you to earn Professional Development Hour (PDH) units. This form is for your use in maintaining a record of the PDH units you have earned at this conference. Complete this form and retain it.

We recommend that you save the program announcement and agenda for your records should the licensure agency require information from you. Reporting is done on an honor basis, and individuals are responsible for maintaining their own records.
